

My name is Darren Stang and I'm your Neighbourhood Realtor. Legal has been my home for decades, a community that has shaped and molded not only myself but my family as well. The wholesome nature of Legal attracted my wife and I to raise our family here. Over the years I have seen Legal grow in many ways such as the beautiful parks, the trail system, new residential developments and schools. I have been a local business owner in Legal for a family ran manufacturing business since 2002, this sparked a keen interest in real estate, a passion I turned into a career We now reside in Sturgeon County and eagerly participate in community events each year like Fete Au Village and proudly support local groups and initiatives. I am proud to have been raised in a town that offers community groups of all interests, minor sporting leagues and great neighbours that became like family.

As your local realtor I have extensive knowledge of the area and enjoy sharing this with clients. I serve Legal, Sturgeon County and surrounding areas through Remax Real Estate. If you are buying or selling, I am happy to discuss current market trends. Sellers will benefit from a diligent marketing strategy such as professional photography, 3D walkthrough virtual tours and the use of social media platforms. The clients I have worked with enthusiastically refer me to their friends and family, where I am honoured to continue serving their real estate needs. I am proud of my achievements with being a member of the Remax 100% Club, entered the Remax Hall of Fame in 2021 and currently in the top 20 of all Remax Real Estate brokerage agents. If you have any real estate needs or general inquiries, please contact me for your no-obligation evaluation or just friendly professional advice.

780-939-8882 · info@huntersprint.com

Geographic Information Systems (GIS) Technician (12 Weeks)

Under the direction of the CAO and Public Works Supervisor, the employee will be responsible for spatial and data collection for Town owned water and sewer systems, sidewalk and roads and other associated appurtenances. Data collected will be used to verify that current information entered in the Town's Geographical Information System (GIS) is accurate. Additional data collected which does not form part of the current GIS System will be entered accordingly .

Responsibilities: Collecting spatial data including latitude and longitude coordinates, reviewing current as-build drawings, contacting and requesting digital files from electrical, gas, and telecom utility providers, contacting Town Engineers to acquire information on an as need basis, requesting information from municipal neighbours which the Town provides or has agreements to supply water servicing, engaging routinely with Town utility operators to develop spreadsheets that will enable utility operators and Public Works staff the ability to enhance services and better track infrastructure performance, repairs and upgrades. Must be capable of working independently or with a team. The position requires an outdoor and indoor environment and safety is of utmost importance. The applicant must have basic knowledge in water and wastewater systems, road infrastructure, Geographical information Systems and be proficient computer systems .

Duration: 12 Weeks (35 hours weekly) June 3 to August 25, 2024

Applicants must have a strong work ethic and motivation, a current valid driver's license. Priority will be given to those with strong computer skills experience or training relating to asset management.

Maintenance Labourer - Public Works (16 Weeks)

Under the direction of the Public Works Supervisor, the employee will be responsible for duties related to water sewer systems, road maintenance and building facilities.

Responsibilities: operation of light vehicles, small commercial tractors, tools and other specialized maintenance tools and equipment, minor road repair, crack sealing, crosswalk painting, pothole & sidewalk repairs, inspection and inventory, hydrant inspections & painting, exercising of water valves, minor repairs to buildings, inputting data on the asset management system and other related duties as assigned.

Duration: 16 Weeks (35 hours weekly) May 8 to August 25, 2024

Applicants must have a strong work ethic and motivation, a current valid driver's license. Priority will be given to those with experience relating to the position, and willing to obtain relevant training.

Maintenance Worker - Parks (16 Weeks)

Responsible for daily maintenance of ball diamonds, the operation and maintenance of the RV & Day Use Park, Centennial & Citadel Park facilities and trail system.

Responsibilities: operation of light vehicles, commercial mowers, tractors, small cutting/hedge trimming machinery, power tools and other specialized seasonal maintenance equipment, grass cutting, daily grooming of shale ball diamonds, fence repairs, inspection of playground equipment, painting, signage, carpentry, assist with construction & landscaping projects. Maintenance of light equipment & mowers, horticulturist/arborist duties and other related duties as assigned.

Duration: 16 Weeks (35 hours weekly) May 8 to August 25, 2024

Applicants must have a strong work ethic and motivation, a current valid driver's license. Priority will be given to those with experience relating to the position, and willing to obtain relevant training.

Submit resume with cover letter to:

Town of Legal, Box 390, 5021 50 Street, Legal AB, T0G 1L0
or email: gstjean@legal.ca

Submission deadline is March 31, 2024

We thank all applicants for their interest, however, only those under consideration will be contacted.

TripleCross Puzzle

Instruction: This puzzle is like a crossword, but with numbers. Each digit occupies a hexagonal cell and can be a part of a "Word" in the across, up and down directions.

Rules:

1. "Words" may not start with a zero
2. "Words" in the 'across' direction read from left to right
3. "Words" in the 'up' direction read along the upward diagonal to the right
4. "Words" in the 'down' direction read along the downward diagonal to the right
5. There is one unique solution which satisfies all the clues given below

Some "words" may not have clues. They will be determined by the "words" which intersect them.

<http://3DMathPuzzles.com>

Across

- 2 14 down minus 12 across
- 3 A square
- 6 Eighty-five times a prime number
- 12 Mean of 1 down and 11 up
- 13 Twice a prime number

Down

- 1 Half of 7 up, then subtract 3 across
- 4 A prime number
- 5 Thirteen thousand fifty-one less than 4 down
- 7 1 down plus 8 down
- 8 Consecutive digits in ascending order
- 14 13 across minus 12 across

Up

- 4 8 down plus half of 2 across
- 7 1 down plus 8 down
- 10 Mean of 9 across and 6 across
- 11 Mean of 7 down and 15 up
- 14 A prime number
- 15 Half of 12 across
