

“WE SERVE” LEGAL LIONS CLUB

The Legal Lions Club is a service club established in 1969 under the umbrella of Lions International. Lions International have 1.4 million members in 49,000 clubs throughout over 200 countries. Lions members are individuals who volunteer their time to humanitarian causes. The eight Global causes of Lions everywhere are Childhood Cancer, Diabetes, Environment, Hunger, Vision, Disaster Relief, Humanitarian Efforts, and Youth. “Where there is a need – There is a Lion”

The Legal Lions spend most of our volunteer efforts within the surrounding community helping and donating to almost every organization or group. We provide a Seniors Transportation program through our Lions Community Transportation Service, ensuring our seniors have adequate support to be active and can age in the place they call home. The club is actively involved with growing food for the local food bank, looking after our Lions parks, highway cleanup, flag day at the schools and helping anywhere in the town. We assist and oversee driving the Volunteer Resources van for those requiring medical, groceries, or other services. We fundraise through raffles and casinos to raise monies for projects that are in our scope of service. In the past 13 years the Legal Lions have donated over \$143, 000 to Lions causes and most of that funding has been directed back to the Legal and surrounding community.

We are actively seeking more members to join us in our efforts. Club meetings are on the 2nd Wednesday of each month at Club 60 Roses.

Follow us on our website www@legal-lions.org , on Facebook, or Instagram.

LEGAL ARENA & CURLING RINK RETROFIT PROJECT UPDATE

The Town of Legal is steadily moving ahead with the Legal Arena & Curling Rink Retrofit Project. Delnor Construction Ltd. has been contracted as the Construction Management Firm for the project, and work has begun. Delnor and the Town are working closely with the professional consultants from Associated Engineering and BR2 Architecture throughout the design process.

- The estimated timeline for portions of the project moving forward:
- Early July: Demolition of the Arena Ice Surface Building (green dome part of building)
- September/October: Precast walls will be erected and new ice plant building
- October: Ice plant to be installed

Welcome Back, Mrs. McKinstry!

Leadership Changes at Legal Public School

Legal Public School will see some administrative changes in the upcoming 2024/25 school year. Former Vice Principal Erika McKinstry will return to Legal Public as the Acting Principal. We are excited to welcome back Mrs. McKinstry, whose joy, passion for education, and strong connection to the school community have always been an asset.

We extend our heartfelt thanks to Principal Kessia Brenneis and Vice Principal Andrea Ameobi (also a former teacher) for their significant contributions to our school. We wish them all the best in their future endeavors!
