

GOLDEN CORNER DINER

For over 70 years, the restaurant at Legal Corner has been a cherished local landmark, renowned for its great burgers and awesome fries. As time passed, the establishment evolved, but its legacy remained strong in the hearts of the community.

In March 2024, a new chapter began with the arrival of Mason Ammar, a seasoned hospitality expert with over 25 years of experience. Seizing a prime leasing opportunity at the iconic Legal Corner location, Mason introduced the Golden Corner Diner, a fresh and exciting addition to the area's dining scene.

The Golden Corner Diner brings a diverse western menu that caters to both in-dining and take-out preferences. Whether you're in the mood for a hearty breakfast, a satisfying lunch, or a delightful dinner, the Golden Corner Diner is your go-to spot. For those who prefer enjoying their meals at home, the diner offers a convenient take-out service. Simply call 780-961-2175 to place your order. The diner is open daily from 8:00 AM to 9:00 PM, ensuring you have plenty of time to enjoy their offerings.

Mason Ammar's philosophy is centered on three key principles: great food, exceptional service, and impeccable cleanliness. These values are evident in every aspect of the Golden Corner Diner, from the quality of the food to the friendly and attentive service provided by his team.

In addition to his commitment to providing a top-notch dining experience, Mason is deeply invested in giving back to the community. He actively supports local initiatives, such as donating pizzas each month to the Legal Fire Department and contributing to the young work crew tasked with cleaning the highway ditches this spring. Mason is also open to assisting with local fundraising efforts, demonstrating his dedication to fostering community spirit and support.

Three of Mason's friendly employees are proud residents of Legal, and Mason's long-term goal includes relocating his own family to the area, further solidifying his commitment to the community.

The Golden Corner Diner has already garnered positive reviews and enthusiastic comments on social media. However, the best way to experience what Mason and his team have to offer is to visit the diner in person. We're confident that once you do, you'll be as impressed as many others have been.
