

The Legal Public Library is ready to serve your community – no holds barred. On September 22, 2024 the Library Board cut the ribbon on Legal’s brand new library. Though the space is small, it is poised to be a mighty force, striving to meet the needs of the community in any way it can.

The road to opening the library began in 2018. Since then, many community outreach efforts have been undertaken to learn more about what our community would like to see from a library. Some of the highlights were things such as opening hours weekday evenings and Saturdays, programming for adults and children aged 9-13, after-school programming and programs centred around arts, reading, and games. This is where we have begun to build our service plan.

As the library itself is new and limited in resources we would love to see volunteers from the community help build it into the hub it can be. We currently have limited funding and staffing hours. In order to increase our hours of operation we will need volunteers who are willing to be trained on the circulation desk to work with the librarian during programming times or open the library outside of regular staff hours. If you are interested in getting involved with your library please reach out using the contact information below.

Everyone is welcome to come and use the space, even to just have a cup of coffee or use the computers. We offer free wifi, printing services, book and media lending/holds/returns, and much more! We would love to hear any ideas or needs you may have that we could build our service around. What our library can be is limited only by our creativity and energy.

The library is located in the Citadel Centre, past the Medical Clinic, at the end of the hall. Its current hours of operation are Tuesdays from 5pm to 8pm and Saturdays from 10am to 1pm. By the New Year it is hoped the Saturday hours will be extended to 10am to 4pm. Library cards continue to be free until the end of December and card holders have full access to all physical and digital library resources. Come in and speak to our manager, Cheri Wilson, or go to [catalogue.tracpac.ab.ca](http://catalogue.tracpac.ab.ca) and click on the “eresources” link at the bottom of the page for a full list of library member resources.

### In 2023 Westlock Funeral Home Celebrated 100 Years of Service

Founded in the early 1920s by F.H. 'Farmer' Steele. The funeral home has seen five owners and milestones over the years, including major renovations and the expansion of services.

Five years ago Bob and Betty Jones retired and passed down the funeral home to the current owners Duane and Heidi Magus. They are proud to continue providing a professional yet personal service to the community and surrounding area. Duane joined the funeral home in 1994 and became a licensed funeral director in 2000. Duane and Heidi, are honored to carry on this legacy as the only family-owned funeral home in the Westlock and surrounding area. They offer a wide range of services including: Traditional Funerals, Cremation, Celebration of Life and a Pre-Arrangement Program.

*"At Westlock Funeral Home, we are deeply committed to our responsibility to both the deceased and their loved ones, responding with compassion, care, and empathy during times of grief."*
