

The Legal & District Chamber of Commerce is thrilled to welcome one of its newest members, Westbrook Developments, led by Don Regimbald. Many locals may recognize Don's name, as he has deep roots in the community. Born and raised in Legal, Don, along with his wife, raised their three adult daughters here, fostering strong connections to the area and a deep sense of pride in his local heritage.

Don's entrepreneurial journey began in 2008 when he launched his business, providing site work, landscaping, grading and excavation services in Sturgeon County. From the start, Don's commitment to quality work and a passion for growth set him apart. His attention to detail and dedication to delivering excellent service earned him a solid reputation within the industry. By 2018, Don's drive for expansion led him to broaden his scope to land development in British Columbia. There, he gained invaluable experience in property development, including both residential and commercial spaces, along with expertise in project management and consulting. This period of growth allowed Don to refine his skills and deepen his understanding of what it takes to successfully complete large-scale development projects.

However, despite the opportunities and successes he found in British Columbia, Don and his wife always felt the pull of their Alberta roots. In 2023, they decided to return home to Sturgeon County, where they not only reconnected with their community but also built their dream home—marking a new chapter in both their personal and professional lives.

Today, Westbrook Developments specializes in a range of services, including land and acreage development, multi-family construction, custom homes, and project management. Don's business philosophy centers on building relationships—both with trusted trade partners and with the community he holds dear. His strong ties with industry professionals who share his values ensure that every project is executed with the highest level of care and precision. His goal is to offer clients a warm, personalized experience, guiding them through the process of turning their dreams into a reality. From the initial consultation to the final touches, Don and his team ensure that every project reflects the unique vision of the homeowner, paying close attention to quality, detail, and craftsmanship.

"We believe in investing in our community. By focusing on Sturgeon County and its surrounding areas, we're not just building homes—we're building a future for our neighbors, friends, and families. We're proud of our history and deeply excited about what's to come. Our commitment to this community runs deep, and we look forward to continuing to partner with residents to help bring their visions to life, one project at a time," Don shared.

Westbrook Developments' commitment to quality, service, and community has made them an invaluable asset to the area. As they continue to grow, their focus remains on staying local, supporting the economy, and giving back to the place they proudly call home. Whether you're considering a custom home, multi-family construction, or a larger development project, Westbrook Developments is here to help you bring your dream to life.

## BLACK KNOT TREE FUNGUS HOW TO GET RID OF IT

Black Knot is a fungus that can kill a tree in a few years if it's not handled. It is a greenish knot or elongated swelling that forms on twigs and branches and can develop into a black, corky mass that range from about 0.5" to 1.5" in size and may be more than 12" long. You can save your trees by pruning the infected branches. Burn, or wrap the branches in plastic and throw them away in the regular garbage. **DO NOT bring them to the Compost Site.**

## Business Mixer & AGM

It was a fantastic evening filled with great conversation, laughter, and community spirit. The event brought together some of our amazing local business members, residents, and guests for a fun-filled evening, and we are grateful to everyone who joined us.

A big thank you to our generous restaurant partners who donated delicious food for the event: Belley Up Pub N' Grub, (Cinnamon Rolls), Golden Corner Diner (Lasagna), and Legal Pizza & Donair (Pizza). The variety of flavors was a true treat, and it was wonderful to experience the tasty offerings from some of our favorite local spots. We appreciate your support!

The night closed off with a friendly and lively game of Family Feud, sparking tons of laughter and fostering great team-building moments among the attendees. It was a fantastic way to break the ice and bring everyone together in a fun, relaxed environment.

Looking ahead, we are excited to host more Business Mixers in the future. If you have any ideas or suggestions for events that could bring our local business community together and connect with the public, we would love to hear from you!
