The Legal & District Chamber of Commerce proudly presented both the Legal School and Friends of Legal School Society with a \$1500 donation for the Local Sports & Recreation Grant for the prespective project or team.

- Legal School application for uniform jerseys.
- FOLSS funds towards construction of Gaga Pit.

Congrats to this round of recipients!

Local Sports & Recreation Grant Update

The MOU between the Town of Legal and the Legal & District Chamber of Commerce for wallboard advertising has expired. As a result, the Legal Chamber of Commerce will no longer receive revenue from the new wallboards to be installed at the SVF Sports Centre in Fall 2025. With the sports grant no longer generating revenue, the remaining funds will be allocated to support new applicants who have not previously received grant funding. The executive motioned that any remaining funds after March 31, 2025, will be reserved for new applicants. As such, those who have received funds in the past, will not be eligible for further consideration until after December 31, 2025. Upon depletion of funds, the grant will then be discontinued.

Thank you for your understanding our next intake of applications will be fall of 2025.

SANITARY SEWER FLUSHING & HYDRANT OPERATION

Beginning early to mid May, Public Works will be setting up equipment at manholes in the roadways to release pressurized water through the sanitary sewer main pipe, removing any buildup. As a result, a bubbling and/or vacuum effect may be noticed in your drains and toilets. If you notice this occurring, we recommend closing all toilet lids and cover floors drains during the flushing period. Also, to prevent sewer gasses from migrating into the home, it is important to refill all plumbing traps by running the water in sinks & floor drains after the work is complete.

Public Works will also be exercising fire hydrants from during beginning early to mid May. Use caution when on streets and watch for workers.

A new era in local recreation is just around the corner as the much anticipated Legal Arena & Curling Rink Project, future home of the **SVF Sports Centre (Sturgeon Valley Fertilizers)**, charges ahead at full speed. Now approximately 70% complete, the \$15 million project remains on time and on budget, with substantial completion expected by the end of September 2025.

This facility promises to be a hub for ice sports and community gathering for Legal and surrounding areas. With ice in its veins and steel in its frame, the SVF Sports Centre is shaping up to be a game-changer.

As you navigate through this often overwhelming and emotional time, our dedicated team is here to simplify the process and honor your loved one's memory with the utmost respect.

Cremation Services

Every family is different, especially when it comes to honouring the life of a loved one. No matter your needs, our cremation options have something to offer in every situation.

From start to finish, you can trust our dedicated staff to assist you throughout each step of the arrangement process. From completing paperwork, or selecting an urn, we will always be here to support and assist you. It is our goal to help you make educated and informed decisions while always respecting your choices.

Memorial Services

This can be done by bringing more of the personality and lifestyle of your loved one into the arrangements. By displaying photographs or staging the event around a favourite pastime, a memorial service can become more personal and meaningful. A memorial service can be held weeks or even months after the death.
