### Warm Christmas Greetings from Westlock Funeral Home

As we reflect on the past year—and the century of service that brought us here—we are filled with gratitude for the trust and support of the Westlock community and surrounding area.

Founded in the early 1920s by F.H. "Farmer" Steele, Westlock Funeral Home has been guided through 100 years of care, compassion, and dedication by five generations of ownership. In 2023, we were honoured to celebrate this remarkable milestone.

Six years ago, Bob and Betty Jones entrusted the next chapter of this legacy to us, Duane and Heidi Magus. It has been our privilege to continue providing the professional, personal support that families have relied on for generations. Duane's journey with the funeral home began in 1994, becoming a licensed funeral director in 2000, and together we remain proud to serve as the only family-owned funeral home in the Westlock region.

As Christmas approaches, we want to extend our heartfelt appreciation to the families we have walked alongside this year. We offer our continued commitment to compassionate service through Traditional Funerals, Cremation, Celebrations of Life, and Pre-Arrangement Programs—always delivered with empathy, dignity, and care.

May this season bring you peace, comfort, and moments of heartfelt connection. From our family to yours, we wish you a blessed Christmas and a hopeful New Year. With warm regards, Duane & Heidi Magus

## Local Experts Helping You Find Home

As the Christmas season arrives and another year draws to a close, Canadian Real Estate Service (CRES) extends heartfelt holiday greetings to the residents of Legal, Sturgeon County, and the surrounding communities. This time of year invites us to pause, reflect, and appreciate the people and places that bring meaning to our daily work and for us, that is you.

For many families, the home is the heart of the holiday season. It's where decorations go up, recipes are shared, and memories are made around the table. At CRES, helping people find the right home is more than a business transaction it is a privilege. Buying or selling a home is one of life's biggest milestones, and we are grateful to be trusted by so many families throughout our region.

Based right here in Legal, CRES provides a full range of real estate services, from residential homes and acreages to land, condos, and commercial properties. With full access to the MLS® system and a deep understanding of the local market, our team is committed to helping clients make informed, confident decisions. Whether guiding first-time buyers, helping families upsize or downsize, or supporting investors, we approach each relationship with honesty, knowledge, and genuine care.

This past year, we have had the pleasure of working with clients at all stages of life: young couples searching for their first home, growing families needing more space, long-time residents deciding it's time for a change, and seniors transitioning to new chapters. Each story reminds us why real estate matters because at the centre of every sale is a person, a family, a dream, and a future. As we look toward the New Year, we remain committed to offering clear advice, market insight, and a smooth process for all buyers and sellers. Whether you're considering a move in 2026 or simply want to know what your home is worth, our team is always here to help.
