

Northern Roots Massage Therapy Brings Professional Care Close to Home

Residents of Legal and the surrounding area now have access to experienced, personalized massage therapy without leaving town. Northern Roots Massage Therapy, owned and operated by Megan Turpin, officially opened its doors on July 1, 2026, offering a welcoming, home-based clinic focused on helping clients feel their best.

After graduating from the Alberta College of Massage Therapy in 2016, Megan spent nearly a decade building and operating a successful massage therapy practice in Whitecourt. Following her move to Legal this spring, she saw an opportunity to bring professional massage therapy closer to home for local residents.

"I wanted to make high-quality massage therapy more accessible for people living in Legal and the surrounding area," Megan explains. "It's important to me that people can receive professional, personalized care without having to travel."

Northern Roots Massage Therapy offers a wide range of treatments tailored to each client's individual needs. Services include deep tissue, therapeutic, relaxation, prenatal, and youth massage, with optional myofascial cupping and hot stone therapy available to enhance treatments. Whether clients are looking to reduce pain, improve mobility, recover from physical activity, or simply relax, each appointment is customized to help achieve their wellness goals.

One of the things that sets Northern Roots Massage Therapy apart is its comfortable home-based setting combined with professional care. Clients can enjoy a quiet, welcoming atmosphere while benefiting from nearly ten years of experience. Flexible evening appointments, convenient online booking, and direct billing with most insurance providers make it even easier to fit massage therapy into a busy schedule.

The clinic is conveniently located at 5102 – 52 st in Legal and is currently open Mondays from 3:00 p.m. to 9:00 p.m. and Wednesdays from 5:00 p.m. to 9:00 p.m., with plans to expand appointment availability in the future.

Current rates include:

- 60-minute Massage: \$105
- 90-minute Massage: \$150
- 30-minute Youth Massage: \$55
- 45-minute Youth Massage: \$80

Although Northern Roots Massage Therapy is just getting established in the community, Megan looks forward to becoming involved in local events and initiatives in the future.

If you're looking for professional massage therapy delivered with personalized care in a comfortable setting close to home, Northern Roots Massage Therapy is ready to welcome you.

TOWN OF LEGAL

KEEP STORMWATER OUT OF THE SANITARY SEWER: DO YOUR PART!

The Town's wastewater system can become overloaded when stormwater enters the sanitary sewer through sump pumps and weeping tile systems. Did you know that homes built after 1983 are not permitted to discharge stormwater from sump pumps or weeping tiles into the Town's sanitary sewer system? **Please do your part:**

- Clear eavestroughs & downspouts of debris to ensure proper water flow away from your home.
- Check sump pumps to confirm they are working and have a backup power source if possible.
- Install backflow valves to prevent sewer backup damage.
- Fill in any cracks or holes in your foundation or concrete around your home, and make sure your weeping tile is draining properly.
- Clean out window wells
- Use rain barrels to help collect water
- Ensure Positive Drainage is in place - The grade of your yard should slope away from your home (so water will drain away from the foundation).

By taking responsibility for stormwater management on your property, you are helping maintain a reliable wastewater system and protecting the health of our community.

REAL ESTATE TIPS & REMINDERS

Thinking of Selling This Fall?

Believe it or not, August is the perfect time to start preparing. Tackling small repairs, decluttering, and freshening up landscaping now can make your home market-ready before the busy fall market.

Keep Your Home Cool

Close blinds during the day, use ceiling fans to circulate air, and change your A/C filter regularly to stay cool and save on energy.

Test Safety Devices

Take a few minutes to test your smoke and carbon monoxide detectors and replace batteries if needed. Safety first!

Vacation Reminder

Heading away? Lock up, set timers for lights, pause mail, and let a trusted neighbour know you'll be away.
