

A new chapter in local hockey is underway with the arrival of a new academy based junior hockey team competing in the National Junior Hockey League. The team provides players ages 16 to 21 with a full-time program focused not only on developing their hockey skills, but also on personal growth and development both on and off the ice.

The organization's goal is to give Tier 2 Junior A players an opportunity to improve their game while preparing for the next step in their hockey careers, including opportunities at the collegiate and professional levels.

BRINGING JUNIOR HOCKEY TO THE COMMUNITY

But hockey is only part of the experience. Community involvement is at the heart of the program. Players and staff are committed to becoming active members of the community through volunteer opportunities, youth initiatives, school programs and community engagement. Programs such as Snow Angels and on-ice opportunities with local youth are just some of the ways the team hopes to build connections beyond the rink.

With the team's General Manager and Head Coaches either from the area or relocating to the community, the organization is looking forward to becoming part of the local fabric. One of the most rewarding aspects of the program is watching young athletes develop not only as hockey players, but as individuals and seeing them become involved in the community around them.

The league is entering its 10th season, while this is a brand-new team for the upcoming season, making this an exciting time for players, families and local hockey fans.

Home Opener - Saturday, October 3

Come out and support the team at their Home Opener, **7:30pm on Saturday, October 3** at the SVF Sports Centre, right here in Legal!

Come out, support local junior hockey, and be part of the team's first season in our community!

Most home games will take place on Saturday evenings, offering an opportunity for families and hockey fans to enjoy exciting junior hockey right here in the community.

Admission:

- Adults: \$15
- Youth/Senior: \$10
- Children 6-12: \$5
- Under 6: FREE

Whether you're a lifelong hockey fan or simply looking for an entertaining night out with the family, the team invites everyone to come out, cheer on the players and help welcome them into the community.

Billeting Families Needed!

The Legal Nordiques players come from communities across Canada and around the world, and we are looking for welcoming local families who would be interested in becoming a billet family and providing a home away from home for one of our players.

Billet families receive \$650 per month, per player, and no driving is required!

If you have a spare room and would enjoy becoming part of the Nordiques family while supporting a young athlete in our community, we would love to hear from you!

Canadian Foodgrains Bank

LEGAL HARVEST 4 HUNGER

SOW HOPE. REAP CHANGE.

ABOUT CANADIAN FOODGRAINS BANK

43 YEARS The Canadian Foodgrains Bank (CFGB) has been operating in Canada for 43 years.

20+ In 2025, CFGB partnered with 15 Christian organizations working in 37 countries.

Through these efforts, emergency food assistance reached 556,270 people across 17 countries.

Alongside agricultural programs in 26 countries.

For more information, please visit the CFGB website at <https://foodgrainsbank.ca/>

TOGETHER, WE CAN MAKE A DIFFERENCE

Leo Séguin and a group of dedicated volunteers have raised several million dollars in support of international famine relief and water diversion projects in Ethiopia.

2025 SEASON A GREAT SUCCESS!

The 2025 season was highly successful for the Harvest 4 Hunger project East of Legal.

- Total of 11,091 bushels of No. 1 Wheat
- Grown on 125 Acres
- Resulting in a donation of \$82,412.00 for famine relief after expenses.

2026 OPPORTUNITY - LET'S DO EVEN MORE!

For 2026, a 145-acre parcel of land northeast of Legal has been offered for another Harvest for Hunger project. As this opportunity has come together recently, we are reaching out to individuals and businesses for support in covering crop production costs. The estimated cost is approximately \$500 per acre.

Donations of \$10 or more are eligible for a tax receipt through CFGB. In addition, the Government of Canada matches funds raised by CFGB, up to \$10 million annually.

WAYS YOU CAN HELP

We invite businesses and commercial operations to contribute agricultural supplies or financial support to the "Legal Harvest 4 Hunger" project. Cheques can be made payable to Legal Harvest 4 Hunger.

Individuals may choose to sponsor one or more acres, depending on their budget, to help cover production.

YOU CAN MAIL CHEQUES TO:

"LEGAL HARVEST 4 HUNGER"
24511 TWP RD 580
STURGEON COUNTY, AB

A TEAM YOU CAN COUNT ON

Tom Parker - Salesman

Tom has been a valued Sales Representative here in Legal for over 4½ years and currently resides locally. Tom is dedicated to looking after our customers' sales needs and building strong community relationships. Outside of work, he enjoys reading and spending time on the golf course.

Meet Jaida Krahn – Car Detailer

Jaida Krahn, one of the newest members of the Sturgeon Dodge team! Jaida joined us a couple of months ago as a Car Detailer and has really enjoyed getting to know the team and being part of the dealership. She takes pride in keeping vehicles clean and looking their best and enjoys the satisfaction of seeing the finished result. Outside of work, Jaida loves spending time with her family, and enjoying the little things in life. She's excited to continue learning, growing, and making her mark at Sturgeon Dodge

Brenda Hills - car detailer

Brenda has lived in legal her entire life and worked at Legal Motors, and has worked at here for 24 years.

Dallen Swan – Journeyman Technician

Meet Dallen Swan, a Journeyman Technician with 12 years of hands-on automotive experience! Dallen's career roots run deep in the local community—he got his start in the trade right after graduating high school back when the dealership was Legal Motors. We are thrilled to welcome Dallen back to the Sturgeon Dodge team! Driven by a commitment to high-quality workmanship, Dallen takes pride in making sure every customer leaves happy and, above all, feels safe behind the wheel.

Darren Harper – Journeyman Technician

A true veteran of the automotive industry, Darren brings nearly two decades of hands-on expertise to the shop floor, including over 13 years as a certified Journeyman Technician. His deep technical knowledge and commitment to precision ensure that every vehicle he touches receives top-tier care. A proud local, Darren has called the town of Legal home for over a decade. When he's not under the hood keeping customer vehicles in peak condition, you'll likely find him unwinding in the digital world through gaming or cruising the open roads on his motorcycle.

Cassidy Jubinville - Journeyman Technician

Cassidy is one of the newest additions to our service team at Sturgeon Dodge! Cassidy comes to us as a skilled Journeyman Technician with over a decade of hands-on experience in the automotive industry. Currently residing in Edmonton, he is looking forward to making the move closer to the area soon. Outside the shop, Cassidy is a true outdoorsman who loves camping, hiking, spending time with his many pets, and coaching local softball. We're thrilled to have his deep technical expertise and great community spirit on our team!

Travis St. Jean - Automotive Service Technician

Travis is a 3rd year Automotive Service Technician and a certified Journeyman RV Tech. He's been with Sturgeon Dodge for three years now, keeping vehicles road-ready. As a lifelong resident of Legal, he loves giving back and helping out the community that raised him!

Miguel Hewitt - Lube Bay Technician

Miguel joined Sturgeon Dodge three months ago, turning a long-held passion for cars into his career. He's thrilled to be part of the team and is dedicated to honing his craft in the Lube Bay every single day. Driven and eager to learn, Miguel has his sights set on becoming a certified Journeyman Technician in the future. We're excited to have his enthusiasm and hard work in our shop!

Fall tips and reminders!

Fall is here, and it's a great time to give your property a little attention before winter arrives. Here are some simple fall preparations that can help protect your property.

- Have your heating systems serviced
- Clean the gutters after the leaves have all fallen
- Inspect the roof and exterior for any damage
- Replace outdoor light bulbs as days are getting shorter
- Trim trees and branches before winter snow brings them down.
- Check windows and doors for any drafts and replace worn weatherstripping
- Test your carbon monoxide detectors
- Drain outdoor faucets, hoses, and in-ground sprinklers before freezing temperatures.
